MINNESOTA DISTRICT

Priscilla A. Ellis

Inmate Reg # 03260-180

Plaintiff

INJUNCTION /TRO

CIVIL NO: \_\_\_\_\_

v.

Federal Bureau of Prisons Employee

Unit Manager C. Parrent

Waseca Federal Correctional Institute employee

Plaintiff Hereby request this HONORABLE Court to issue an immediate Preliminary Injunction/ TRO to STOP prevent Unit Manager C. Parrent from entering Waseca Federal Correctional Institute premises while Inmate Priscilla Ellis with Reg #03260-180 is housed there under ANY CAPACITY, whether General Population or otherwise which will prevent him from causing further Physical injuries from Physical harm , sexual harassment and other physical abuse which left bruises on Plaintiff ( see attached Witness statements).

Plaintiff meet all 4 criteria's pertaining to a preliminary injunction / TRO pursuant to Rule 65 of Federal Rules of Civil procedure.

1. Evidence will proceed proceed @ trial to support the fact that defendant C. Parrent violated Plaintiff's rights and safety and her well being of being free from physical abuse, verbal abuse, sexual abuse and to be safe and secure in the Walls of Waseca Federal Correctional institute from Staff /inmate abuse

2. Plaintiff is likely to suffer more irreparable harm if preliminary injunction is not received.

Defendant C. Parrent has already caused Grave physical injuries by physical;ly assaulting/ attacking plaintiff in his office on 3/3/2025, evident witness statements attached who witnessed bruises.

3. Plaintiff faces a Greater Harm from Prison Unit Manager C. Parrent, as he FREELY walks the compound while investigation plays out, and can come into contact with Inmate Ellis to cause more physical injuries /sexual assault at his will without any restraints , anytime, anywhere at anytime on Waseca Federal Correctional Institution grounds where inmate Ellis is housed, meaning that Mr C. Parrent can cause further Harm constituting to more physical injuries and mental and emotional abuse as well.

PLAINTIFF saw C. Parrent on 3 April 2025 in Center Hall ( evidence camera footage around 11:30 am and he was smirking at Plaintiff as he was talking to another inmate and this made Plaintiff feel violated again, unsafe and mentally and emotionally under attack with no control of her surroundings.

4. Preliminary Injunctions will serve the Public's interest, as the Plaintiff's accountability is to the Public as well as the Public is interested in all AIC's in custody being SAFE from STAFF AND INMATE abuse in reference to ALL HARM and abuse to include sexual and physical assaults such as what C. Parrent indulged himself against plaintiff.

A Preliminary injunction is appropriate as the Harm that plaintiff faced from the defendant Mr C. Parrent is ongoing and engaged as long as he wanders freely around on the Waseca FCI compound while investigation continues as well as the results of Plaintiff seeking criminal charges against C. Parrent.

The Supreme Court, in Lewis v Casey 518 U.S. 343 ( 1996) stated that a Prisoner must only show " actual imminent injury" ( see attached statements) (2) with more to come from witnesses that acknowledged the injuries immediately after the event or within the following days of the physical assault.

Plaintiff received PHYSICAL INJURIES, although to request an injunction, plaintiff only need to show that she /he will be worse

off due to the illegal acts of the prison staff/inmate or person carrying out the physical, mental or sexual abuse.

Plaintiff is already in Prison as an Actual innocent victim as a Honorable Army Veteran being used as a scapegoat for the crime of others, and should not have to consistently be subjected to sexual Harassment, physical assaults, physical abuse which causes physical injuries as well as mental and emotional injuries AND scars.

Granting the injunction is necessary to correct / STOP ongoing violation of plaintiff;s rights to be SAFE in custody from PHYSICAL , SEXUAL and VERBAL ABUSE from Staff as well as inmates.

Unit Manager C. Parrent should not be walking around on compound as to say that he is ABOVE the law, and is still working which continue to put inmate in imminent harm from his physical , sexual verbal assaults' and abuse.

Plaintiff is requesting this HONORABLE Court /Clerk to issue and GRANT a TRO until the Injunction can be heard. Plaintiff does meet ALL requirements for a TRO pursuant to Rule 65 of the Federal Rules of Civil Procedures.

Plaintiff qualifies under the Violence Against Women Act, 18 U.S.C. 2246 and wishes to File criminal charges for the PHYSICAL Assault by Unit Manager C. Parrent. The Bruises were so extensive and embedded, until they were visible on Plaintiff's Flesh for well over 3 weeks prior to totally fading away. Neither Lieutenant Tarrant nor Nurse Peterson would take a picture o the bruise, both claiming the other would take the pictures. Neither did SIA Rice, as the bruise was also displayed to him as well as Psychologist Turner in conjunction to other inmates that witnessed it immediately AFTER the physical contact with Mr C. Parrent.

This is called Staff trying to cover for staff's corruption. Another staff member Ms. Lloyd told inmate Jodeci Holmes ( Inmate Reg # 59778-510 that she was accused of shaking an inmate, but because it was NOT on camera, it was dropped.

"Is this how they get away with things? If an inmate is accused of an infraction , not on camera, it's not dropped, why should a staff member receive extra treatment? Right is right and wrong is wrong, no matter what Country/World that you exist.

An inmate should not be subjected to accept abuse form a staff member , just because they are an employee, it is a CRIME to physically assault in or out of prison, Sexually, physically and in some cases verbally when it comes to harassment.

Mr Parrent's conduct of Physical assault while in an employee position is also Abuse of Color of State Law.

ALL Co-workers stick together as Ms Lloyd stated to Inmate Holmes Reg # 59778-510. Inmate Sadie Hackett can attest to Mr Parrent's abuse, Inmate Destiny Duran, Inmate Cassandra Charity and others. There are plenty of witnesses and witness statements to corroborate plaintiff's claims and request for the TRO/Injunction.

Relief Requested:

Plaintiff is requesting hat the Court/Clerk issue an INJUNCTION or TRO to STOP Unit Manager Parrent from stepping foot on the Institution of Waseca FCI while Plaintiff is housed there on this compound and to demand that Unit Manager C. Parrent CEASE Harassment and physical violence and verbal assaults' and innuendos towards plaintiff immediately.

Plaintiff is also requesting the court to direct the AUSA in this jurisdiction to proceed with criminal charges against Unit Manager C. Parrent for Physical Assault against plaintiff because she would not agree to his comments to "Suck his Dick"!

The Waseca FCI failed to keep Plaintiff safe from physical injury and therefore is seeking declaratory relief from the court in form of TRO/Injunction.

Respectfully Submitted;

Mr. Parent retaliated against me because I have turned down his sexual advances on more than 1 occasion to "suck his dick" (Remarks from him) "The only thing that a Black Bitch can do for old like you is suck my dick." I'm not sure if he started it as a joke. He always use animosity towards me. I told him stop it, I don't appreciate. On 3/2/3 He told me to leave his office as I was asking, why was he abruptly moving me units and it said because "he was having inmate complaints" His lie. I stay to myself as always all over compound can attest, Mr. Parent grabbed my arm with force and physically removed me from his office.

You may attach additional pages or documents to this complaint.

I spoke to DIA Rice a couple of days later, however 2 older women Mrs K Young, Mrs Brill and a 3rd told me that Mr. Rice comes and put staff complaints under the rug, and ask inmates to help him resolve them. Mrs K said that Mr. Rice tried to have her help him resolve 47 complaints against staff at Maseca.

6. OTHER RELEVANT INFORMATION

Provide any other relevant information or event(s). You may attach additional pages or documents to this complaint.

I felt like the AW was trying to humiliate, quietly retaliate, violate me today as she called me to her office, not to ask how I was doing, but to tell me that a now civil case in the court a consuel was not sustained. Not true, I never asked her for anything about consuel, she should be concerned as acting warden of her own staff conduct.

The information set forth herein is true and correct to the best of my knowledge.

With the Annual Conference

almost suggest that Mr. Cattrell

perhaps the abuse was initiated
